 9 25 20 RTC CEA.docx

Hi Valois and Lucita,

There's been multiple versions of the CEA so I just wanted to let you know the attached is the most current and clean version. I just added the cultural resources comment we just discussed and also responses for #69 and 70.

Valois-I am going to hold off on putting this doc into the larger RTC document until you have a chance to take another look at this (I highlighted remaining comments in green that seek your input) because I'd imagine it'd be a pain to search and scroll through the larger RTC document! Let me know otherwise though. And please let me know how I can help further with any of these remaining comments as I know you have a ton on your plate.

Thanks!

Mai
